## WELCOME

Welcome everyone to School Sport Australia Games (SSAG01) 2024. I hope that you have an enjoyable time in Gold Coast and that your stay is a memorable one. If all your questions about the events are not answered in this booklet, please ask someone. We are more than happy to assist.

## SCHOOL SPORT AUSTRALIA STUDENT PLEDGE

On behalf of all the participants at the School Sport Australia Games, together we aspire to achieve our highest level of personal performance and conduct. We promise:

- To represent our teams with pride
- To co-operate with all officials
- To respect and abide by the rules that govern these Championships in the best traditions of the sport;
- And, above all, enjoy.

## POLICIES AND GUIDELINES

## School Sport Australia President's Welcome

On behalf of the Board of School Sport Australia, I extend a warm welcome to all participants, particularly our students, team officials, parents, and supporters, to the inaugural School Sport Australia Games, held on the beautiful Gold Coast from July 25th to August 3rd, 2024.

School Sport Australia vision is for "Exceptional student experiences through representative school sport." We are committed to realising this vision by adhering to our purpose, which is to "facilitate high-quality national school representative sporting championships and provide unique educational experiences for students from all states and territories."

The inaugural School Sport Australia Games on the Gold Coast represents an exciting new chapter for SSA, complementing our existing championship program of 27 championships across 19 sports. This event will see over 4,000 students and spectators come together to compete across six sports: Australian Football, Basketball, Hockey, Netball, Softball, and Swimming. This multi-sport format not only promotes competition but also camaraderie and community among students from all across the country and we also are excited to welcome out international students from the Cook Islands and Fiji to the games.

Our SSA Championships and now the SSA Games are about more than just team standings; they offer numerous additional benefits, including improvements in health, cognition, wellbeing, and social inclusion. The educational outcomes students acquire through participation go beyond the confines of the classroom, providing another avenue for personal growth, whether through playing or officiating.

We extend our heartfelt gratitude to the Queensland State Government and the Gold Coast City Council for their generous financial support, which has been instrumental in making this event possible. Additionally, we acknowledge Struddys, our merchandise sponsor, and Uni Sport, our Games Delivery partner, for their invaluable contributions to the success of this event.

On behalf of School Sport Australia, I extend congratulations to all students selected to represent at the SSA Games. It is an achievement that you, your family, and your school can take great pride in. We hope that all students, team officials, organisers, and supporters involved in this event experience a successful and memorable week.

In closing, we wish to express our gratitude to all SSA member bodies, national and state sporting organisations, the Championship officials, and all officials from the competing states and territories for their significant contributions in ensuring the success of the School Sport Australia Games.

Welcome to the Gold Coast, and may this inaugural event set the stage for many more years of exceptional student educational experiences through representative school sport.

Warm regards,

**Graeme Jennings**

### MESSAGE FROM THE PREMIER OF QUEENSLAND

On behalf of the Queensland Government, I send best wishes to everyone participating at the inaugural School Sport Australia Games 2024.

More than 1750 students, representing their state or territory, and their parents and carers are converging on the Gold Coast to celebrate sport.

The timing is perfect as your wonderful event coincides with the Paris 2024 Olympic and Paralympic Games.

Just like the Olympics and Paralympics, you are competing in a multi-sport format, with athletes having the opportunity to participate in swimming, basketball, hockey, softball, netball, and AFL at venues across the city.

The Queensland Government is proud to support the School Sport Australia Games 2024 so that Australia's young athletes can experience good quality competition, and take part in opening and closing ceremonies, while teaching staff receive professional development opportunities as part of the enhanced program.

The School Sport Australia Games gives everyone involved a glimpse into the future, as we prepare for the Brisbane 2032 Olympic and Paralympic Games.

Perhaps some of the students competing on the Gold Coast will be included in Team Australia in eight years' time.

Thank you to the organisers for staging the School Sport Australia Games 2024 in Queensland, and for providing young Australians with an amazing experience.

I hope you can take the time to enjoy Queensland's wonderful tourism experiences.

Best of luck for a happy and successful School Sport Australia Games 2024, whether participating as an athlete, watching as a parent, or behind the scenes as administrator or volunteer.

A handwritten signature in black ink, appearing to read "S Miles".

**STEVEN MILES MP**  
**PREMIER OF QUEENSLAND**

### **Gold Coast Mayor's Welcome**

Welcome to the School Sport Australia Games being held on the Gold Coast for the first time. It is wonderful to have students from every state and territory here as well as competitors from Fiji and the Cook Islands.

Sport is in our City's DNA, so the Gold Coast's first- class venues, right across the city, will provide the perfect location for the students to live out their sporting dreams.

The School Sport Australia Games are not just about competition; they are about creating unforgettable memories for student-athletes, parents, and officials.

With six high profile sports competing in an innovative multi- sport format, the competition will be spirited. The Games will also provide young athletes with the opportunity to develop their skills and sportsmanship.

We hope that while you are here you will also have the chance to sample some of what our amazing city has to offer.

All the best for great competition and enjoy the experience.

Mayor Tom Tate
